

Memorialisation Products

Made Locally in Victoria

Powdercoated Aluminium

All Engraving Included

A collection of contemporary memorial products to honour your loved one's life, giving you a choice in memorialisation - placement at home, in a cemetery or memorial park.

Flower Pot Colour: Textured Grey ("Honda Graphite")

Standard: DP007Std H160mm

Tall: DP007Tall H180mm

A unique alternative in memorials or markers that will not rust, fade or crack. (140mm Spike)

Interim Plaques Colour: Berry Grey

Large: Plain DP010LP Gum Leaf DP010LG Vine DP010LV
W160mm x H337mm with 130mm Spike

Small: DP010S W160mm x H150mm with 130mm spike

Also Available (not pictured) is the Mausoleum Plaque: DP004M

A memorial that can be ready to place on day of service, burial, interment or memorial. Use an interim plaque as a way to immediately memorialise your loved one, whether it be at home or at a cemetery/memorial park (between the service and your permanent choice of headstone/plaque being available for placement).

modUrn Memento

"Memento provides a unique way to remember a loved one, share their story and connect in grief"

Celebrate life and leave a legacy with modUrn. Purchase a Memento for your loved one's place of rest and use the modUrn app to write their Life Story for today and future generations to come. The Memento helps you create an emotionally rich resource of memories, documents, stories, health journey, media and more, to remember your loved one. The Bluetooth beacon allows those attending the memorial park or cemetery to view "public" aspects of their Life Story, providing more information than what can fit on a plaque. See the urn catalogue "Keep Your Memories Close" for more information on the features and benefits of modUrn and other products available.

For demonstration video visit; vimeo.com/267947344

You can view the full range of memorial products on our app "Keep Close". Download in the app store for apple devices.

DP006L

DP006S

DP006K

Outdoor Urn

Colour: Textured Grey ("Honda Graphite")

Large - 170x140x265mm

Small - 120x90x200mm

Keepsake - 80x70x100mm

A permanent waterproof outdoor urn for use for interment at home or the park, exposed placement in a garden, under a tree or inside a home.

(To see more urn options, ask for an urn catalogue)

Mausoleum Crypt Case

Colour: Berry Grey

DP003 - D30mmxL700mmxW300

The Mausoleum Crypt Case has been designed to fit between the concrete seal of the crypt and granite/marble front cover slab for a less invasive and space saving approach to placing ashes with an already interred loved one in a mausoleum. Reopening the original crypt is not necessary.
